

EQUIPMENT LISTING

GRINDERS:

- DoAll 6X18 Wet
- 2-Reid 6X18
- Hydrabrasive 10X 20 Wet
- 2-Glebar Centerless up to 3"

(Grinding Line)

MILLS:

- Trak Bed Mill CNC 10X50
- Bridgeport/Proto Trak M3 CNC 9X48
- Bridgeport /Proto Trak M2 CNC 9X48
- Bridgeport 9X42

(Doosan 6030)

MACHINE CENTERS:

- 2- TAKUMI V11A CNC MACHINING CENTER 40 X 20 4TH AXIS
- HARDING/BRIDGEPORT CNC MACHINING CENTER 30 X 24
- DOOSAN 6030 CNC MACHINE 60x30

PRESSES:

- Niagara NO. 3 1/2 60 Ton
- 2-Niagara NO. 6 60 Ton
- Lo Bo H-Jordan NO. 4 30 Ton
- Misc. Cutoff saw, Welders, Drill press, ECT.

LATHES:

- Trak CNC 17X45
- Trak CNC 14X40
- DAEWOO 300MS 18" TURN DIA.LIVE TOOLING AND SUB SPINDLE
- Clausing 13X36
- Clausing/METOSA CNC 17X60
- 2-KIA Turn 21LS CNC Turning Center W/SUB SPINDLE

(Daewoo 300MS)

(Kia Turn 21LS)

The Company:

The mission of Senk Tooling Inc. (Since 1982) is to provide our customers with a high quality, cost competitive, service. Senk Tooling Inc.'s success depends on achieving 100% total customer satisfaction. With timely delivery and the best possible quality product.

The Processes Available:

- AutoCAD Design
- Tools & Dies
- Fabricating Inspection Gages
- Fixtures/Jigs
- Hone Holders
- Small Stampings
- CMM Inspection Capability
- Production Secondary

(Drilling, Tapping, Turning, Milling and Centerless grinding)

CNC MILLING CENTERS

(Bridgeport VMC 760XP)

(Takumi V11A)

Production CNC Centerless Grinder

Industries Servicing:

- Lawn and Garden
- Powder Metal
- Office Furniture
- Automotive
- Honing
- Construction
- Military

Reasons To Choose Senk Tooling Inc.:

- ISO 9001:2000 Certified
- Highest Standard Maintained
- Maintaining Close Dimensional Tolerances
- Customer Satisfaction
- Fast Turn Around Times
- Modernized Production Facility
- Over 80 Years Combined Experience
- Provides Complete Assemblies
